(a) seize any wild animal or wild bird live or dead or part thereof trophy firearm ammunition snare poison poisoned bait nest or egg or any other object appliance weapon or material which is the subject matter of or is used or is reasonably suspected of being used in the commission of an offence under this Act;
(b) remove the objects appliances weapons or materials seized pursuant to paragraph (a), to the office of the Game Warden or where it is expedient or necessary, to the nearest police station pending eventual removal to the office of the Game Warden to be retained in his custody for a period not exceeding thirty days commencing on the day of seizure unless during that period any person is charged for an offence or any other proceedings under this Act in respect of the objects appliances weapons or materials are taken, in which case they may be further retained until the proceedings are finally concluded; and
(c) remove by force any obstruction impeding the exercise of his powers under that section.
11. Where an officer or an authorized officer exercises the powers of search pursuant to sections 6, 7, 9 and 18 he shall prepare a list (signed by him) of all objects seized in the course of the search and a copy of the list shall without undue delay be sent to the owner or the person in charge of the vehicle or to the owner or occupier of the dwelling house shop business premises or other building or to his representative, personally or by post.

12. The officer or authorized officer shall permit the occupier of the dwelling house shop business premises or other building or his representative, if either is present, to witness the search.

13. (1) Every search warrant granted under this Act shall be—
   (a) in the form prescribed by Schedule Eight; and
   (b) remain in force for a reasonable period.

   (2) A search warrant granted under this Act may be executed in any part of Malaysia and if not executed, may be renewed by a Magistrate.

14. (1) Where an officer or an authorized officer exercises the powers of search under this Chapter, he may by written notice direct the owner of any cage enclosure or hut in which any wild animal or wild bird is housed confined or reared to alter reconstruct or repair the cage enclosure or hut, if the officer or authorized officer is satisfied that the cage enclosure or hut is not suitable for the comfort or well being of the wild animal or wild bird.

   (2) The written notice shall specify—
   (a) the nature and extent to which an alteration reconstruction or repair is required; and
   (b) the period within which the owner shall comply with the requirements of the written notice.

15. (1) Where it appears to a Magistrate upon written information under oath by an officer or an authorized officer that there is reasonable cause to suspect that a person has committed an offence under this Act, he may issue a warrant of arrest authorizing the officer or authorized officer to arrest the person.

   (2) The officer or authorized officer shall—
   (a) show the warrant of arrest or a copy thereof to the person;
(b) notify the substance thereof to the person; and
(c) without unnecessary delay bring the person before a Magistrate to be dealt with according to law.

16. (1) Every warrant of arrest granted under this Act shall—
(a) be in the form prescribed by Schedule Nine; and
(b) remain in force for a reasonable period.

(2) A warrant of arrest granted under this Act may be executed in any part of Malaysia and, if not executed, may be renewed by a Magistrate.

17. (1) Where an officer or an authorized officer—
(a) finds any person committing, attempting to commit or abetting the commission of an offence under this Act; or
(b) is satisfied on a demand or request by him that a person who is granted a licence permit or special permit under this Act, refuses to comply with the demand or request to produce the licence permit or special permit,

he may arrest the person without a warrant of arrest.

(2) Where a person—
(a) liable to be arrested without a warrant of arrest, is not arrested pursuant to subsection (1); or
(b) escapes while under arrest,

he may subsequently be arrested or re-arrested (as the case may require) without a warrant of arrest.

(3) The officer or authorized officer arresting a person without a warrant of arrest may detain the person in custody for a period not exceeding twenty-four hours after which he shall forthwith bring the person before a Magistrate to be dealt with according to law.

18. Where an officer or an authorized officer arrests a person (with or without a warrant of arrest) under this Chapter, he may in addition search the person and if the person is arrested in a dwelling house shop business premises or other building, or on the land (described in section 9) search the dwelling house shop business premises or other building or the land (described in section 9).
19. (1) Subject to subsections (2) and (3) where any property seized under this Chapter is subject to speedy and natural decay, a Game Warden or an authorized officer shall forthwith produce the property before a Magistrate who shall order that the property be sold forthwith or otherwise disposed of.

(2) Notwithstanding anything to the contrary in subsection (1) when no Magistrate is immediately available, a Game Warden shall subject to subsection (3) sell or otherwise dispose of the property as he thinks fit.

(3) Notwithstanding anything to the contrary in subsections (1) and (2) the Game Warden shall not forthwith sell or otherwise dispose of the property if there are sufficient cold storage facilities in his office to preserve the property from decaying or perishing.

CHAPTER 3
Investigation

20. (1) All offences under this Act shall be deemed to be seizable offences within the meaning of the Criminal Procedure Code; and a Game Warden shall have all the special powers in relation to police investigations in seizable offences conferred on a police officer by Chapter XIII of the Code.

(2) The provisions of sections 112 to 114 of the Criminal Procedure Code (F.M.S. Cap. 6) or sections 123 to 125 of the Criminal Procedure Code (S.S. Cap. 21) as the case may be shall apply to statements made by persons examined in the course of any investigation made under this section.

CHAPTER 4
Court Proceedings etc.

21. (1) Save as provided in this section a Game Warden may compound any offence under this Act but only the Chief Game Warden may compound an offence under this Act in respect of a totally protected wild animal or a totally protected wild bird.

(2) Where the Chief Game Warden or a Game Warden compounding an offence pursuant to subsection (1) he shall do so for a sum not more than one half of the fine prescribed for the offence.
22. A Game Warden may conduct a prosecution in respect of any offence under this Act.

23. The Chief Game Warden may order such rewards as he may deem fit to be paid to any person for services rendered in connection with the detection of cases of offences under this Act, or in connection with any seizures made under this Act.

24. (1) Except as hereinafter provided, no witness counsel or prosecutor in any civil or criminal proceeding shall be obliged or permitted to disclose—
   (a) the name address and occupation (if any) of an informer;
   (b) the substance of the information received from the informer; or
   (c) any matter which might lead to the informer's discovery.

   (2) Save as otherwise provided in subsection (3) if any books documents or papers which are in evidence or liable to inspection in any civil or criminal proceeding contain any entry in which any informer is named or described or which might lead to his discovery, the Court shall cause the entry or passage in which any informer is described or named to be concealed from view or obliterated so far only as may be necessary to protect the informer from discovery.

   (3) Notwithstanding anything to the contrary in subsections (1) and (2) the Court may require the production of the original information or complaint of the informer (if in writing) permit enquiry and order full disclosure of the informer if after full enquiry into the case on a trial for any offence under this Act or in any other proceeding the Court is satisfied that—
   (a) the informer wilfully made in his information or complaint a material statement which he knew or believed to be false or did not believe to be true; or
   (b) substantial justice cannot be done without the disclosure of the informer.

25. On an application made by a Game Warden, a Magistrate shall make an order for forfeiture, in respect of the following which is seized notwithstanding that no person is charged or convicted of an offence under this Act:
   (a) any jerat, spring gun or drop spear;
(b) any firearm (licensed or unlicensed) or any other weapon, poison or poisoned bait which is—
   (i) used for shooting killing or taking a totally protected wild animal or a totally protected wild bird; or
   (ii) found in the possession of a person who is found in a wild life reserve or in a wild life sanctuary without the written permission of the Game Warden; or

(c) any wild animal or wild bird which is—
   (i) shot killed or taken or housed confined or bred in contravention of the provisions of this Act; or
   (ii) the subject matter of an offence relating to cruelty to wild life.

26. A Magistrate may make an order for forfeiture in any other case where any of the objects appliances weapons or materials which were seized pursuant to section 10 or 18, are the subject matter of or were used in the commission of an offence under this Act.

27. (1) When a Magistrate makes an order for forfeiture pursuant to sections 25 and 26, he shall order that the subject matter of the order be delivered to the Game Warden of the State in which the subject matter was seized.

   (2) The Game Warden shall pursuant to subsection (1) dispose of the subject matter of the order as he deems fit subject to any directions (if any) given by the Magistrate as to the manner of disposal.

28. Nothing in this Act shall be construed so as to affect the powers conferred on a police officer or a Magistrate under the Criminal Procedure Code.

PART III

LICENCES

29. Subject to this Act no person shall—
   (a) shoot kill or take any protected wild animal or protected wild bird, or take the nest or egg thereof;
   (b) carry on the business of a dealer;
   (c) carry on the business of a taxidermist;
(d) house confine or breed a protected wild animal or a protected wild bird other than as a dealer or taxidermist;

(e) import into or export from West Malaysia any protected wild animal or protected wild bird;

(f) keep the trophy of any protected wild animal or protected wild bird; or

(g) enter a wild life sanctuary or a wild life reserve, unless he is the holder of a licence permit or special permit (as the case may be) granted under this Act but no licence, permit or special permit shall be required to shoot kill or take the following wild animal:

(i) Malayan Flying Fox (Pteropus Vampyrus) (Kluang);

or

(ii) Island Flying Fox (Pteropus Hypomelanus) (Kluang kechil).

30. (1) Save as provided in this section and this Act a Game Warden may grant separate licences or permits (as the case may require) to any person in respect of paragraph (a), (b), (c), (d), (e), (f) or (g) of section 29 according to the quota of licences and permits prescribed by the Minister in respect of the State over which the Game Warden exercises jurisdiction, and such licences or permits shall have effect only in that State.

(2) Separate licences shall be required in respect of paragraph (a) or (b) in the interpretation of “dealer” and of paragraph (a), (b) or (c) in the interpretation of “taxidermist” in section 3.

(3) Where two or more persons carry on the business of a dealer or taxidermist (as the case may be) they shall not be required to hold more than one licence authorizing them to carry on either business in the name of and in respect of the partnership.

31. Subject to this Act, the Minister may from time to time by order in the Gazette prescribe the conditions with respect to the granting of licences and without prejudice to the generality of the foregoing may in particular prescribe—

(a) the open or close season in respect of specified protected wild animals or protected wild birds;

(c) the methods or means by which specified wild animals or wild birds may be shot killed or taken including the type of firearms;

(d) the times during the day or night during which protected wild animals or protected wild birds or the nest or egg thereof may be shot killed or taken;

(e) the localities to which the shooting killing or taking of specified protected wild animals or protected wild birds or the nest or egg thereof may be restricted;

(f) the different categories of licences granted under this Act;

(g) the quota of licences and permits to be granted for—
   (i) each of the categories described in sections 29 and 30;
   (ii) each year or open season; and
   (iii) each State, in respect of each protected wild animal or protected wild bird or the nest or egg thereof; and

(h) the fees and forms of licences.

32. Notwithstanding anything to the contrary in this Part, the Minister may from time to time issue permits not exceeding five for each year or open season (as the case may require) in addition to the quota of licences and permits prescribed by subsection (2) of section 30 and section 31.

33. No person shall be granted a licence to shoot a protected wild animal or a protected wild bird with a firearm unless—
   (a) he is the holder of a valid licence granted under the Arms Act, 1960;
   (b) he produces that licence to the Game Warden when applying for a licence to shoot a protected wild animal or a protected wild bird; and
(c) he satisfies the conditions prescribed by order with respect to the payment of deposits fees and other conditions prescribed pursuant to section 31.

34. Save as provided in Part V no licence or permit shall be granted in respect of—
   (a) any totally protected wild animal or totally protected bird;
   (b) any immature totally protected wild animal or immature totally protected wild bird; and
   (c) the nest or egg of any totally protected wild animal or totally protected wild bird.

35. The Chief Game Warden shall keep and maintain a register of persons licensed and granted permits or special permits under this Act including their names, addresses and occupations and other brief particulars.

36. Where a licensed hunter shoots kills or takes a wild animal or a wild bird he shall record in the appropriate space provided in the licence—
   (a) the number, sex and species of the wild animal or wild bird;
   (b) the date on which and the locality in which it was shot, killed or taken; and
   (c) the means or methods by which it was shot, killed or taken.

37. Where a person carries on the business of a dealer or taxidermist (as the case may be) he shall keep and record in a book the following particulars—
   (a) the date number and species of wild animals or wild birds live or dead or part thereof or articles manufactured from wild animals or wild birds, which were received or purchased or sold;
   (b) the name address and licence number (if any) of the seller or purchaser; and
   (c) the purchase or sale price of the objects and matters mentioned in paragraph (a) whether in their finished or unfinished state.

38. Every person who is granted a licence under this Act shall—
   (a) if he is a licensed hunter carry the licence (authorizing him to shoot, kill or take a protected wild
animal or a protected wild bird) when he is carrying a firearm or in any way engaged in shooting killing or taking a wild animal or a wild bird or attempting or making preparations therewith;  
(b) if he is a licensed dealer or taxidermist, display the licence (authorizing him to carry on the business of a dealer or taxidermist as the case may be) in a conspicuous portion of his place of business;  
(c) on request or demand by an officer or an authorized officer, produce any licence granted to him under this Act for inspection;  
(d) inform the Game Warden of any change in his address as recorded in the licence; and  
(e) return his licence to the Game Warden within 14 days of the date of its expiry.

39. (1) No dealer shall purchase or otherwise acquire any protected wild animal or protected wild bird live or dead or part thereof from any person other than from a licensed hunter or from a Game Warden where any protected wild animal or protected wild bird live or dead or part thereof is sold by a Game Warden pursuant to this Act.

(2) No taxidermist shall purchase or otherwise acquire any protected wild animal or protected wild bird live or dead or part thereof or an article manufactured from a protected wild animal or a protected wild bird other than from—  
(a) a licensed hunter;  
(b) a licensed dealer; or  
(c) a Game Warden, where any protected wild animal or protected wild bird live or dead or part thereof is sold by a Game Warden pursuant to this Act.

(3) Any licensed dealer may sell or offer for sale any protected wild animal or protected wild bird during the open season or during the first thirty days of the close season and shall not henceforth sell or offer for sale the protected wild animal or protected wild bird unless an open season is subsequently declared for the protected wild animal or protected wild bird.

40. No person except a Game Warden acting under section 103 shall sell any protected wild animal or protected wild bird live or dead or part thereof to any person other than a licensed dealer or a licensed taxidermist.
11. No person (other than a dealer or a taxidermist) who intends to house confine or breed any protected wild animal or protected wild bird or who intends to keep a trophy shall purchase any protected wild animal or protected wild bird or trophy other than from a licensed hunter, a licensed dealer, a licensed taxidermist or a Game Warden or an authorized officer where any protected wild animal or protected wild bird or trophy is sold by the Game Warden or an authorized officer pursuant to this Act.

12. (1) Where a licence permit or special permit is lost destroyed or defaced, the holder of the licence may obtain a new licence permit or special permit (expiring on the same date as the lost destroyed or defaced licence permit or special permit) from the Game Warden if he—
   
   (a) makes a written application supported by a statutory declaration;
   
   (b) satisfies the Game Warden that he is making the application in good faith; and
   
   (c) pays a fee for the new licence.

   (2) The holder of the licence permit or special permit pursuant to subsection (1) shall not carry on the activities authorized by the lost, destroyed or defaced licence permit or special permit until he is granted a new licence permit or special permit.

13. (1) Any licence granted under this Act in contravention of the provisions of this Act relating to the granting of licences, shall be deemed to be void but it shall be a defence for a person charged with committing an act without a licence authorizing him to do so, to produce a void licence purporting to authorize him to commit the act unless he committed the act knowing that the licence was void.

   (2) For the purposes of this section, where pursuant to subsection (1) a void licence is produced as a defence to a charge, "void licence" means a licence which (if it were not void) is unexpired.

14. (1) Where any person licensed under this Act is convicted of committing a breach of the conditions in the licence, the licence shall be deemed to be suspended and of no effect pending an appeal against conviction (if any) and if the appeal against conviction is dismissed, shall be deemed to be void.
(2) Where a person who has been previously convicted of an offence under this Act, is convicted of an offence under this Act and the fine (if any) in both convictions is or exceeds five hundred dollars, he shall be disqualified from holding any licence for a period of five years commencing on the date when the proceedings in respect of the second or subsequent conviction are finally concluded.

45. No licence granted under this Act shall be transferable.

46. Where a Game Warden or an authorized officer finds any person—
(a) carrying a firearm;
(b) in possession or control of any wild animal or wild bird live or dead or part thereof;
(c) carrying on the business of a dealer or of a taxidermist; or
(d) whom he reasonably suspects of having committed or attempting to commit or abetting the commission of an offence under this Act,
he may stop the person and demand the production of any licence granted under this Act.

PART IV
WILD LIFE RESERVES AND SANCTUARIES

47. The Ruler or the Governor of a State may after consultation with the Minister from time to time by notification in the Gazette—
(a) declare any State land to be a wild life reserve or a wild life sanctuary and designate the officer for the time being having the control of such reserve or sanctuary;
(b) define and alter the boundaries of the wild life reserve or wild life sanctuary;
(c) in the case of a wild life reserve, specify certain animals and birds (which are not protected wild animals or not protected wild birds within the meaning of this Act) as protected or totally protected wild animals or protected or totally protected wild birds (as the case may require) which specification shall be in addition to the lists of wild animals and wild birds specified in the Schedules to this Act.
48. (1) No person shall enter a wildlife reserve or a wildlife sanctuary unless he first obtains a written permit from the Game Warden authorizing him to do so.

(2) No person shall be granted a written permit authorizing him to enter a wildlife reserve or a wildlife sanctuary unless—

(a) in the case of a wildlife reserve he is a licensed hunter; or

(b) in the case of a wildlife reserve or a wildlife sanctuary he satisfies the Game Warden by way of a written application, that he intends to enter the wildlife reserve or the wildlife sanctuary for the purposes of art science or recreation.

(3) Any written permit granted under this Part shall specify the period during which the holder of the permit is authorized to enter the wildlife reserve or the wildlife sanctuary, which period shall not exceed one month in respect of each year.

(4) Where a person authorized to enter a wildlife reserve or a wildlife sanctuary enters the wildlife reserve or the wildlife sanctuary, he shall be accompanied by a Game Warden an authorized officer or by any other officer.

49. No person shall—

(a) shoot kill or take any animal or bird (wild or otherwise);

(b) take disturb damage or destroy the nest or egg of any animal or bird (wild or otherwise);

(c) disturb or remove any timber or vegetation, in a wildlife sanctuary.

Provided that the owner or occupier shall when the crop is reaped effectively destroy any birdlime and any containers sticks or other material upon which birdlime has been used.
(2) A Game Warden or an authorized officer may give directions—

(a) as to the setting of the birdlime; and

(b) as to ensure adequate supervision and control over the use of the birdlime.

(3) Any person authorized to use birdlime shall comply with the directions.

55. (1) Notwithstanding anything in any other section and save as provided in this section where a wild animal or a wild bird is causing or there is reason to believe that it is about to cause serious damage to crops vegetables fruit growing timber domestic fowls or domestic animals in the possession of an owner or occupier of land, the owner or occupier or his servants or a Game Warden or an authorized officer may shoot kill or take the wild animal or the wild bird if—

(a) he first uses reasonable efforts to frighten away the wild animal or the wild bird (including the firing into the air of a firearm); and

(b) these reasonable efforts fail to frighten away the wild animal or the wild bird.

(2) An owner or occupier of land pursuant to this section shall report the details of the damage (if any) and the species of the wild animal or the wild bird to any officer or to an authorized officer notwithstanding that no wild animal or wild bird is shot killed or taken, and where the owner or occupier has shot killed or taken the wild animal or the wild bird he shall, unless he is licensed to do so, make the same report.

(3) Where a wild animal or a wild bird has caused serious damage pursuant to subsection (1) but has ceased to do so it shall not be shot killed or taken.

(4) Any wild animal or wild bird shot killed or taken in pursuance of this section shall be the property of the State and shall without delay be handed to the Game Warden or an authorized officer.
56. (1) Notwithstanding anything in any section other than this section and section 94, if a wild animal constitutes an immediate danger to human life any person may shoot kill or take the wild animal but where the person availing himself of this exception provokes or wounds the wild animal which consequently becomes an immediate danger to human life, the person shall be absolved from guilt only in respect of the first mentioned act and may be found guilty in respect of the second mentioned act pursuant to section 94.

(2) For the purposes of this section an “immediate danger to human life” arises when there is reason to believe that if the wild animal is not shot killed or taken it may cause loss of human life.

(3) Where pursuant to this section any person shoots kills or takes any wild animal with the object of saving human life he shall (unless he is licensed to shoot kill or take the wild animal) forthwith report the matter to any officer or an authorized officer and where the person wounds the wild animal the provisions of section 102 shall apply.

(4) Any wild animal shot killed or taken in pursuance of this section shall be the property of the State and shall without delay be handed to the Game Warden or an authorized officer.

57. Where any person is found setting placing using or is otherwise in possession of any animal or bird (wild or otherwise) in such circumstances that there is reason to suspect that the person is using the animal or the bird as decoy or bait for the purpose of attracting any wild animal or wild bird, it shall be presumed until the contrary is proved that the person was attempting to shoot kill or take a wild animal or a wild bird.

(i) in excess of the authorized number of wild animals or wild birds specified in the licence granted to him pursuant to section 31; or

(ii) during the close season declared for the wild animal or the wild bird,

shall be deemed until the contrary is proved to have shot killed or taken the wild animal or the wild bird.

Every person (including the persons described in paragraphs (a), (b), (d) and (e) of section 58) other than a licensed hunter, who is in possession of a recently killed or wounded wild animal or wild bird shall be deemed until the contrary is proved to have shot killed or taken the wild animal or the wild bird.

Where the Chief Game Warden or a Game Warden testifies in court under oath that any spring gun sharpened ke pit drop spear (penurun) or metal wire snare (jerat) is a snare, it shall be deemed until the contrary is proved to be a snare.

Where a person is convicted of an offence under this Act for shooting killing or taking a wild animal or a wild bird or for attempting to commit the offence it shall be presumed until the contrary is proved that any other person who abetted the convicted person if the other person at the time the offence was committed—

(a) was found in the company of the convicted person; and
was carrying a poison poisoned bait decoy net
birdlime firearm blowpipe bow and arrow spear
catapult or any other weapon (whether of the same
genus or not) capable of shooting killing or taking
any wild animal or wild bird.

63. Where a wild animal or a wild bird is found in any
building it shall be deemed until the contrary is proved that
the occupier of the building is in possession of the wild
animal or the wild bird and where there is more than one
occupier in the building the occupier of the portion in which
the wild animal or the wild bird is found shall be deemed
until the contrary is proved to be the occupier for the
purposes of this section.
